

ADVENT WREATH

OBJECT OF GAME: To color all of the Advent wreath correctly.

MATERIALS NEEDED: File folder game board, copies of the Advent wreath coloring sheet, 2 small baskets, question cards, markers, die, and crayons.

TO PLAY: Place 2 small baskets or boxes on the table to put question cards in. Put the question cards in one basket (the other basket will be for discards). Give each player a copy of the "Advent Coloring Sheet". Place your markers on START. Roll the die and move that many spaces. Follow the directions on the space you land on. If the player lands on a "?", the person to their right draws a question card and reads it out loud. If the player answers correctly, they can color what is stated on the card on their Advent wreath coloring sheet. If they have already colored that part of their wreath, they do nothing. If a player lands on a space with the leaves, they may color some of the greenery on their wreath. When a player has completely colored their Advent coloring sheet correctly, he/she is the winner. Play continues until all players have colored their sheets.
