

In Thanksgiving for the
Gifts of God's Creation

God of All Creation,

We are thankful for all of your good gifts ~

for the brilliance of the sun and the softness of moonlight,

for trees and flowers, grasses and shrubs,

for animals that prance and prowl, slither and swim,

for stiff breezes and gentle rains,

and for our human bodies, formed so wondrously by the work of your hand.

Revitalize our efforts to care for the gifts of creation with attentiveness and love

so that the earth continues to be a place that sustains life

and gives glory to your blessed name.

Amen.
