

The Lives of the Saints

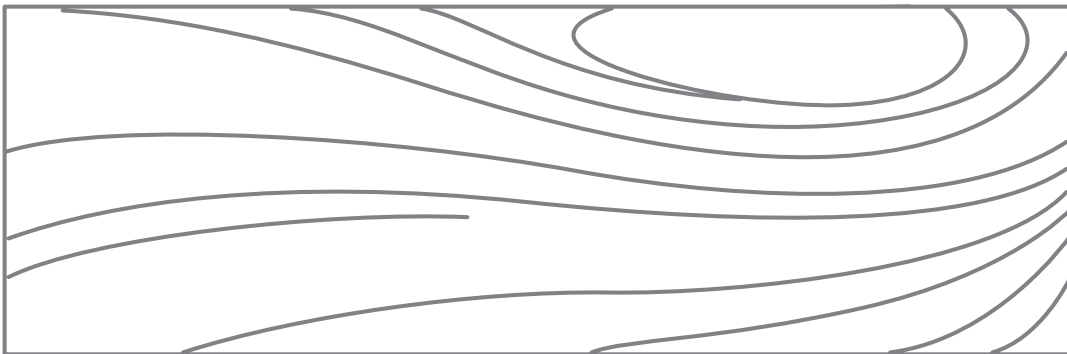

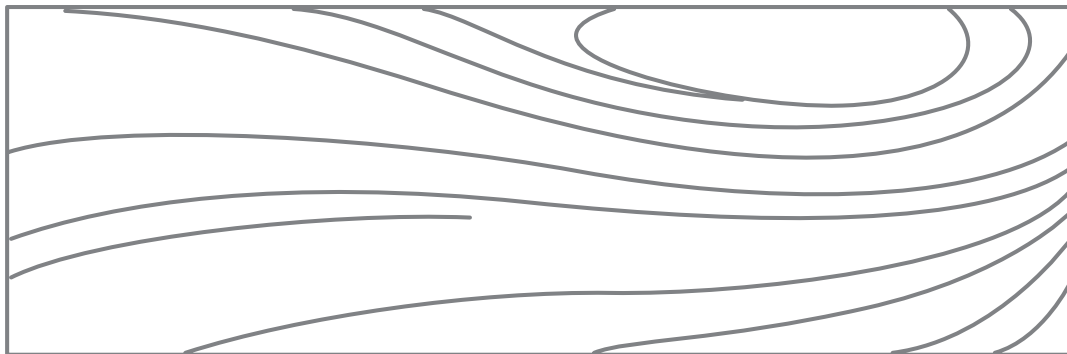

Name _____

Saint Joseph

Joseph was the husband of Mary and the foster father of Jesus. Joseph loved Mary and Jesus very much. He protected them and made sure they were well cared for.

Joseph worked as a carpenter in the town of Nazareth. He built things using wood.

We can build things too. Color and cut out the picture of the piece of wood. Talk with your friends or classmates about what you can build using your pieces of wood. Together “build” something using these pieces of wood. Glue them onto a large piece of paper to make a poster showing what you have built.
