(This is the story that can be told using the finger puppets you made.)

Two disciples left for Emmaus after Jesus died.  
 And on the way they talked about how He was crucified.  
 A stranger joined them while they were walking.  
 They didn't know Him, but they kept on talking.  
 They told the stranger about Jesus and how He died.  
 They told Him about how He was crucified.  
 Then the disciples told Him what the women said:  
 That they went to the tomb and Jesus was no longer dead.  
 They talked about the scriptures and shared wine and bread,  
 And listened to what the stranger said.  
 Then suddenly in the breaking of the bread they knew  
 Who the stranger was— do you?
