

# Our Lady of Fatima

COVA DA IRIA, FATIMA, PORTUGAL, 1917

Mary, the Mother of God, appeared to Lucia dos Santos and her cousins, Francisco and Jacinta Marto, six times between May and October of 1917. Each time she appeared, she spoke to them about the importance of prayer, particularly the rosary, and the power of doing even small sacrifices for the conversion of sinners. On October 13th, Our Lady performed a wonderful miracle before the children and a large crowd of 70,000 people: the sun danced and whirled in the sky! The ground—which was soaked with rain—was instantly dried! She did this to remind everyone of God's glory and of the importance of daily prayer.
