Building the Church with the Holy Spirit, Block by Block

Week of September 1 Knowledge

“Like living stones, let yourselves be built into a spiritual house to be a holy priesthood to offer spiritual sacrifices acceptable to God through Jesus Christ.”
– 1 Peter 2:5

This summer we are reflecting on the various gifts and fruits of the Spirit that build up the Church. Our G.I.F.T. families have received a package of 16 wrapped blocks. Each week, one block is unwrapped and the gift or the fruit revealed. When you unwrap this week's block, you will find the word KNOWLEDGE on it. Sometime this week, take 15 minutes and either on your own or with your family, and invite the Holy Spirit to come to your household: **Come, Holy Spirit. Fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth.**

Then reflect on the following:

KNOW (Mind): What is Christian Knowledge?

When we think about knowledge, we usually think about our capacity to learn about the world that surrounds us, discovering the laws that regulate nature and the universe. The knowledge that comes from the Holy Spirit, however, is not limited to human knowledge; it is a special gift which leads us to grasp, through creation, the greatness and love of God and his profound relationship with every creature.

LOVE (Heart): Accepting the Fruit of Knowledge into our hearts

When our eyes are illuminated by the Spirit, they can contemplate God and lead us to discover how everything speaks to us about God and God's love. This brings about in us a great sense of wonder and profound gratitude, like when admire a work of art. The Spirit leads us to praise the Lord from the depths of our heart and to recognize, in all that we have and all that we are, an invaluable gift of God and a sign of his infinite love for us.

SERVE (Hands): Putting our Knowledge in service of the church, humanity, and the world.

“The gift of knowledge sets us in profound harmony with the Creator and allows us to participate in the clarity of his vision and his judgement. And it is in this perspective that we manage to accept man and woman as the summit of creation, as the fulfillment of a plan of love that is impressed in each one of us and that allows us to recognize one another as brothers and sisters... All this is a source of serenity and peace and makes the Christian a joyful witness of God, in the footsteps of St Francis of Assisi and so many saints who knew how to praise and laud his love through the contemplation of creation...We must protect creation for it is a gift which the Lord has given us; it is God's present to us; we are the guardians of creation...This should make us think and should make us ask the Holy Spirit for the gift of knowledge in order to understand better that creation is a most beautiful gift of God. He has done many good things for the thing that is most good: the human person.” (Pope Francis, May 21, 2014)

Question of the Week: How has the Holy Spirit brought KNOWLEDGE into your life?

Rite of Christian Initiation for Adults

Would you like to know more about Catholicism? Have you thought about becoming Catholic? Do you know someone that might be interested in Catholicism? Join us for our RCIA Information meeting **Wednesday September 11 at 7:00 pm** at **Holy Cross 375 George Road, Freeville, NY**. If this date does not work for you or you have any questions, please contact Dawn Burdick at (607) 288-2476 or at dawn.burdick@dor.org.

Here's what someone who recently went through RCIA has to say:

“I am forever thankful for the foundation that my parents instilled. However, the feeling of missing ‘more’ loomed. Searching ‘more,’ my life became enlightened with today's new age evangelism but ‘more’ was still missing. God has a special design for each of us. A trip to Rome and Mother Angelica, slowly opened a door bringing me to a new threshold of my spiritual quest and the doorstep of RCIA. The flickering candle became brighter with Catholic history and teachings to present day. Pope Francis enlightened the world with the insightful ability to move forward in ‘present day,’ yet keep God's traditional teachings intact. RCIA added a new wing to fly in my search of ‘more.’ RCIA teachings cleared away long misunderstood perceptions of Catholicism. [...] My inner candle shines brighter and a renewed wing allows my heart to sing; with the complete understanding of the Eucharist. To me: it is God's gift for my weakness. [...] ‘God is First Today.’ From the past to this very moment in time, I am personally charged as an individual to pass a flame to assist in the Hope and Love of this GIFT. Life is a renewal process and to move forward with openness. Mother Mary and the one Church was the missing ‘more.’” – Diana Batzel Powers
