

Ribbon Tree Ornaments

Here's what you will need:

- 6-inch cinnamon sticks or twigs
- variety of ribbons cut into 9-inch strips (Note: Wide ribbon works best. Use plain and patterned ribbons in shades of Christmas colors. If desired, melt the edges of the ribbons with a match so the ribbon doesn't fray.)
- hot glue gun
- sharp scissors
- twine
- yellow wooden star

Invite children to tie the scraps of ribbon down the twig or cinnamon stick.

For best results, bunch the ribbons close together. The ribbons will bend and slightly overlap. Work them into place until you are satisfied with their placement.

Use sharp scissors to trim the ribbon scraps into the shape of a Christmas tree.

Hot glue or tie a loop of twine to the top of the tree.

Top the tree with a yellow wooden star.
