

Calvary Cemetery Rules and Regulations

Cremation Section I

Flowers

- Flowers, plant stands, plants, and other decoration are not allowed on any cremation grave(s) located in Section I. Any items left, a week after interment will be removed.
- Christmas wreaths may be placed on graves November 1 - spring clean-up.

Ornamentation

- Flowers, plant stands, plants, and other decoration are not allowed on any cremation grave(s) located in Section I. Any items left a week after interment will be removed.
- No live plants may be planted in the ground or allowed on graves.
- Calvary Cemetery reserves the right to remove any ornamentation that either interferes with normal cemetery maintenance or is not kept neat and trimmed.
- No permanent items may be placed or set within the cemetery grounds without permission of the Calvary Cemetery Advisory Council.
- Calvary Cemetery will be cleaned once per year, normally during mid to late April. At that time any items that are on the graves will be removed and thrown away. Items that you wish to keep should be removed prior to that time.

Memorials

- All memorials must be of the flat type. They must be of approved materials and must be set flush with the ground. They must be set in concrete with a 4" border. The marker cannot be set above the border. All markers must be 4 inches thick.
- The top surface of all flat grass markers must be smooth finished. All outside top edges must be slightly beveled to prevent chipping.
- Memorials shall be set on the space designated by Calvary Cemetery Advisory Council. The Calvary Cemetery Advisory Council and Pastor reserve and have the right to correct any error that may be made by its employees or by any other person or persons in the location or placing of a memorial in the cemetery.
- Markers in Section I are read facing east.
- Should any memorial become unsightly, dilapidated or a menace to life and limb, the Calvary Cemetery Advisory Council reserves the right to remove or repair it. Any cost incurred shall be at the expense of the lot owner's family.
- If any memorial become unsightly, dilapidated or a menace to life and limb and is replaced, it must meet the rules and regulations governing new memorials or their installation.
- The Calvary Cemetery Advisory Council reserves the right to reject any memorial by reason of failure to abide by the rules and regulations governing memorials or their installation.

Veteran Grave Markers

The United States Government furnishes markers for the graves of veterans. There are two types of markers supplied at no cost to the veteran.

- Upright Type: This monument is 42". This monument is not permitted in Calvary Cemetery at this time.
- Flat type: This marker is placed flush with the ground. This type of marker is permitted in Calvary Cemetery at this time as long as it meets the following requirements.
 - Must be flat and set flush with the ground
 - Marker cannot be larger than 24 inches long by 12 inches wide by 4 inches thick.
 - Must include a 4-inch concrete border

Vaults

- All internments require an outer burial container or a vault
- Definition of outer container or vault: It must be constructed of an unbreakable, non-biodegradable outer container large enough to contain a casket or an urn with ashes that is sealable.

Graves Exchanges and Returns

- Graves are non-transferable and can only be sold back to Calvary Cemetery Advisory Council at the original purchase price.
- New grave purchases will be at current grave pricing
