

Music Selections for Catholic Funerals

The Catholic Funeral Liturgy is patterned after the Sunday Liturgy. The assembly is called to actively participate in the readings and songs. Music is sung prayer. Due to the sacredness of the funeral, secular music is not allowed, nor do we use pre-recorded music.

Requests for prelude music or other solos should be discussed with the Director of Music. Appropriateness of the music and availability of musicians will dictate whether a particular piece of music can be used. The family is responsible to provide music for any special requests. For all other music selections, please refer to the list of suggestions.

Accompanists, soloists and choir members from St. Peter's provide the music for all funeral liturgies. Occasionally a family member or family friend is asked to sing a special selection. Both the singer and the selection must be approved by the Director of Music.
