

Socio-economic Status Designation Form for 2019-20

(Required Form for All St. Anthony School Families)

All schools in Indiana are required by the Indiana Department of Education to report the socio-economic status of **all students**, using the Federal Free/Reduced Lunch income guidelines, regardless of any financial information provided to the school through such means as tuition assistance or Free/Reduced Lunch applications.

To aid us in this reporting process, please review the household income guidelines below and designate which socio-economic status your household falls into, using the checkboxes on the bottom of the page:
