March 2, 2020

Dear St. Anthony Families,

I am writing to inform you of a new policy effective 3/9/2020. We find ourselves in a position of having numerous students not picked up by 3:15 and not registered for YMCA Extended Care. This creates both a safety concern as well as a disruption to our faculty and staff - who have after school responsibilities.

Students who are not picked up by 3:15 and who are not registered for the YMCA Extended Care program will incur the following charges from the school to their FACTS account:

First occasion - Warning

Second occasion - \$25 per family

Third occasion and beyond - \$20 per child

Registration for YMCA Extended Care is \$25 for a family. YMCA Extended Care is then \$40 a week or \$15 a day for drop in service. They may be able to offer financial assistance.

Non-registered students not picked up in car-line by 3:15 will be escorted to the school office. They will wait in the hallway and need to be signed out by an authorized adult. A record of late pick ups will be maintained for billing purposes. The YMCA is unable to supervise students who are not registered with their program.

A member of the YMCA Extended Care staff will be on-site on Wednesday, 3/4/20. to assist with new member registration.

Thank you, Karen Bogol, principal
