March 13, 2020

Dear St. Anthony Families,

We have been informed diocesan schools will be closed beginning Monday, 3/16. Thank you for your understanding and patience as we navigate the current situation.

Early next week, I will be working with administrators and our faculty to develop a plan to keep students learning in the event this is an extended building closure. This will include developing a plan for meaningful remote learning while we are closed. Please consider Monday and Tuesday to be similar to snow days.

We all have many questions and concerns. We will be in communication next week regarding next steps and plans for continued student learning.

Students are bringing home supplies and books today. We will be developing a plan to communicate to you next week. In the meantime, we ask for your patience.

Please be sure you check your email and that your child's homeroom teacher has your current email. We are aware some have limited access to devices. We will communicate our plans to assist with this soon.

Again, thank you for your trust and patience. We will be in touch soon,

Mrs. Karen Bogol, principal
