

South Bend Bears Youth Lacrosse Club

2021 Girls' Youth Program

[Register](#) by February 25th for the South Bend Bears Girls' Youth Program

Practices at fields behind Jefferson Intermediate School
Tues. & Thurs., early March through Memorial Day
6:30 – 7:45 PM, 4th – 8th grade girls

The South Bend Bears would like to invite all girls in 4th – 8th grade in area Catholic schools to join our spring 2021 lacrosse program. Both new and experienced players are welcome. Currently, girls' lacrosse is a high school sport at St. Joseph HS and Penn HS; girls from other schools will be eligible to play on the Bears HS girls' lacrosse team that will be starting next year.

COVID-19: The Bears follow all COVID-19 guidelines from US Lacrosse and local health authorities. This includes social-distance protocols and may entail wearing masks during practices. Feel free to contact us with any questions or concerns.

Fees:

\$125 until February 25th; \$150 thereafter. **The Bears offer both full and partial scholarships.**

All players must also be members of U.S. Lacrosse for insurance purposes (\$30; registration system will take you to US Lacrosse as needed). Equipment (including a stick) is available to rent for the season for \$10.

Coaches: South Bend Bears Youth Lacrosse endeavors to coach winning lacrosse through a focus on fundamentals. Players who compete with the Bears will be exposed to a culture of good sportsmanship, character building, and learning life lessons that extend far beyond athletics. Our lead coaches have completed training through the [Positive Coaching Alliance](#).
