Principal's Report: Karen

- The Good News(2/25) weekly update provided parents with an explanation of why St. Anthony School is not using the new COVID19 guidelines. The school continues to reinforce a 14 day quarantine after exposure to the virus.
- Parent volunteers are needed to direct traffic before and after school for drop-off/pick-up. Cones will no longer be used. Parent participation in this new procedure encourages involvement from members of our church and school.
- Spring Sports will be offered to students in grades 5-8. More information is on the school website.

Pastor's Report: Father Ben

- Father Ben is excited to have people from the parish offering to help with day to day tasks: roofing, painting, heating/cooling, liturgical music, etc.
- The goal is to encourage people in our community to help support our church and school.
- Additional parish positions and ministries are evolving in preparation for the next school year.

Catholic Schools Week: Breeyan

- *Planning for next year CSW Open House:* Keep prospective family tours and current family tours separate.
