

# Hallway Tiles For Original Works

Would you like to see your child's artwork hanging in the hallways at St. Anthony's

We will be placing an order for donated artwork tiles. This is the same artwork that the kids did in the fall. For the 8th graders this will be the artwork that they are finishing up with now and will be sent home with the kids next week.

The cost for the tile is \$14.00 and it will need to be in the form of cash or check made payable to St. Anthony School.

When the tiles come in we will hang them in the hallway for all to see.

If there was anything from Original Works that you wished you had ordered in the fall and did not this will be your last chance to do it with this year's artwork. Please contact one of us for an order form.

Please print and fill out this order form for the hallway tiles and send it into school. If you do not have access to a printer a hand written form will work just fine. Thank you!!
