ST. JUDE SCHOOL ADMISSION POLICIES

The aim of St. Jude School is to impart basic religious instruction and to guide and cooperate with parents in preparing students for their role as Christians who will live and spread the Gospel of Jesus. For this to occur in the lives of St. Jude students, both the home and school must be teaching and living the same Christian values. St. Jude School expects all parents to be supportive of Catholic education and all the policies of St. Jude School. The school requires all students, regardless of faith tradition, to take part in daily religion classes and other religious school celebrations.

St. Jude School grants admission/readmission on a yearly basis based on our Catholic philosophy of education. We provide the opportunity for entrance to our school as enrollment numbers allow using the following criteria as a guideline:
- siblings of current students at St. Jude School
- members of St. Jude Parish
- members of neighboring parishes
- those of other faiths

Statement of Non-Discrimination
St. Jude School admits students of all races, nationalities, or ethnic origins to all rights, privileges, programs, and activities.

New Family Admission Procedure
St. Jude School requires families seeking admission to follow the Admissions Procedure:
1. Complete online application, including submission of report cards and other required documents.
2. Director of Admissions and Advancement will call to schedule at least one full shadow day (8:00 am - 2:00 pm).
3. Shadow days are the 1st and 3rd Thursdays of each month.
4. Upon completion of these steps, the admissions team requests the right to schedule a follow up meeting to further discuss individual education needs.

The deadline for submission of all IEP (Individualized Education Plan) or SP (Services Plan) materials is no later than May 1st.

Age Requirements
A child must be 5 years of age by September 30th to be eligible to enter kindergarten.
Annual Registration Requirements
The following registration requirements pertain to families currently enrolled at St. Jude School or those who have received an acceptance letter:

1. Complete online request for a registration packet.
2. Complete registration packet that will be sent home within one week of submission of the online request.
3. All registration fees must be paid in full to guarantee placement for the next school year.
4. Upon completion of these steps, each family will receive a receipt of enrollment confirmation from the Director of Admissions and Advancement.

Enrollment is contingent upon all financial obligations being paid in full.

Student Placement
If a family has concerns regarding student placement in a specific classroom for the upcoming school year, the family must meet with administration. Requests will be considered but may or may not be honored. Placement requests involving teachers for specific content areas will not be accepted. All requests must be made by June 15th.

Transfers
Beginning on September 1st, families looking to transfer to St. Jude School should follow the New Family Admissions Procedure.

Withdrawals
St. Jude School requires families seeking a withdrawal from school to schedule a meeting with the principal. Necessary paperwork to withdraw will be provided during the meeting. All fees must be paid in full before student records will be released.

Tuition, Fees and Payments

Tuition Structure
St. Jude School charges two established tuition rates:

1. Active Parishioner Rate (Parish Subsidized)
   St. Jude School defines an active parishioner as a parishioner who:
   • Is a registered member of St. Jude Parish or a neighboring Catholic parish
   • Participates regularly at the weekend liturgy
   • Responds to an offertory commitment
   • Failure to meet the requirements for active parishioner status may result in the active status being revoked. In the event that this status is revoked, the family will be considered non-active and will be charged the full tuition rate.

2. Non-Catholic Family Rate
   Non-active parishioners or those of other faith traditions are charged the full tuition rate.
**Tuition Collection**

Tuition policies and procedures are set by the pastor and the principal with the advisement of Parish Finance Council and may be amended as necessary by the pastor and principal to ensure the smooth operation of the school.

St. Jude School requires a signed tuition agreement at the time of registration, acknowledging that payment will be made in a timely fashion. All parents agreeing to send their children to St. Jude School accept the responsibility to pay the tuition in full. Therefore, if more than one parent is supporting a child, St. Jude School requires both parents to sign the tuition agreement, accepting responsibility for tuition payments. Signature of the tuition agreement indicates a binding contract to fully pay tuition and fees on a timely basis. The school reserves the right to terminate enrollment in the event that financial obligations are not met.

St. Jude School offers two options for tuition payment:

1. Full year’s tuition payment made prior to the start of the school year, which will include a discount if paid by a pre-set date per the tuition and registration agreement
2. Automatic bank withdrawals from a designated account. This can be done on a mutually agreed upon date on a monthly (beginning in July and ending in April) or quarterly basis (July, October, January, and April). Agreement of the auto withdrawal method is considered a contract to pay. The responsible person(s) must ensure proper funds are maintained for the full and timely tuition payment.

*St. Jude School accepts tuition payment at any time using a credit card. A fee will be accessed.*

**Tuition and Assistance**

Quality Catholic education is available to all students of St. Jude School. The school makes every effort to accommodate families when a serious financial or personal situation exists. Assistance from the Diocese of Cleveland and/or St. Jude Parish is available through an application process. A SmartAide form must be completed and submitted by March 1st or June 1st for assistance consideration.

When a family receives financial assistance (diocesan, parish, or state-issued scholarship) that exceeds half the cost of a single child’s tuition, the multi-child student discount does not apply to the children in the family who receive the assistance or scholarship.

**Financial Hardships**

St. Jude School defines hardship as any extenuating circumstance that results in the failure to adhere to the tuition agreement. Financial hardships must be addressed directly with the principal so a plan of action can be put in place. Failure to communicate will result in immediate removal of the family from the school and ensuing legal action.
Delinquent Account
Delinquent account balances including any nonpayment of fees by the due date necessitate strong action. Failure to pay these fees by the due date results in removal of the family from the school and ensuing legal action. St. Jude School will not release report cards or school records for families with delinquent account balances.

St. Jude School does not permit families with delinquent account balances to enroll for the upcoming school year until their account balance has been paid in full.

Non-Sufficient Funds
All non-sufficient fund transactions must be replaced with cash or money order and will be assessed a $25 fee.

Tuition Refund
Contact St. Jude School administration for tuition refunds.

Extended Day Fees
St. Jude School requires that Extended Day balances be paid within ten calendar days from receipt of the billing statement. St. Jude School reserves the right to remove child/children from the Extended Day program until an account is paid in full. The school also reserves the right to require families that have a delinquent account to maintain a prepaid account for Extended Day usage.

PARENT EXPECTATIONS
The primary responsibility for the education of children belongs to the parents. Although this responsibility is shared with school as a matter of practical necessity, parental responsibility remains paramount.

The attitude of each parent toward sharing this responsibility with the school is important to the child as a person and to the community. The conscientious parent will try to plan thoughtfully, not only for the child's first entrance into school life, but also for his/her continued success in school.

As your child's primary educator, we anticipate your cooperation with the following:
1. Build religious celebrations and family prayer, especially attendance and participation in weekend Mass, into your lifestyle.
2. Prioritize a student's extracurricular activities so that he/she is aware of the value you place on education. Provide a regular time, a quiet place, and encouragement for thorough completion of assignments.
3. Support the policies of St. Jude School and hold your child accountable to the school regulations and principles of expected behavior.
4. St. Jude School expects parents to make every effort to attend conferences or other meetings requested for the sake of the child. (After three attempts, St. Jude School reserves the right to revoke enrollment and/or scholarships.)

5. Note his/her conduct and effort marks and discuss with your child.

6. Avoid criticism of teachers and school policy in front of children, on social media, or at St. Jude community or CYO events. Any concerns should first be addressed with your child’s teacher. If further discussions are needed, contact the principal, then pastor.

7. Encourage development of your child's individual talents and interests.

8. St. Jude School expects parents to model gospel values and appropriate behavior at all after school activities, including CYO sporting events.

9. Paying all fees (tuition, field trips, lunch etc.) on time

10. Reimbursing St. Jude School for any property destroyed (accidentally or intentionally)

11. Following the policies and procedures in this handbook

The education of your child is a partnership between families and the school. If the administration feels that the partnership is irretrievably broken, St. Jude School reserves the right to withdraw a child. St. Jude School requires all families and students to follow and support the policies contained in this Family Handbook.

Parents are not permitted to enter the classroom before school or at dismissal to have an unscheduled conference or conversation with the teacher. The teacher’s primary responsibility is to monitor students at that time.

**ACADEMICS**

**Religious Formation**

At St. Jude School, the religious formation of our children is paramount. We encourage a spirit of prayer as a reminder of God’s presence throughout the day. Each morning and afternoon, the school community says a short prayer together. Each class has opportunities for planning and participating in the Liturgy. On holy days and special occasions, the entire school attends Mass together.

The Sacrament of Reconciliation and the Holy Eucharist are major events in the life of the child. Therefore, the religious curriculum provides thorough preparation in these areas. Parent meetings and involvement are also a vital part of our sacramental preparation.

St. Jude School provides opportunities on occasion for other para-liturgical services such as retreats, prayer services, and May Crowning. Students have the opportunity for involvement in all of these and thus develop a greater realization of God's presence in their lives.

**Standard Program of Study**

St. Jude School follows the Diocesan approved curriculum. The school provides curriculum guides by grade level upon request.
Faculty and Staff
St. Jude School is staffed by a qualified faculty. All teachers are certified according to Ohio state standards. The school staff includes classroom teachers, full-time physical education, music, and art teachers, a band director, aides, a technology coordinator, intervention specialists, Spanish teachers, an occupational therapist, speech therapists, secretaries, maintenance and Extended Day facilitators.

Professional competency and efficiency are stimulated through attendance at professional development events, workshops, and monthly faculty meetings. State auxiliary funds to non-public schools provide enrichment, remedial reading and math tutoring, speech therapy, guidance services, intervention services, and a school nurse.

Field Trips
St. Jude School selects field trips to supplement the daily curriculum. Notification of planned trips is sent home with each child. The school requires that signed permission slips be returned if the child wishes to participate.

St. Jude School communicates additional information regarding overnight field trips during mandatory parent meetings. While most field trips are funded through a portion of the registration fee, some field trips may require additional fees.

Homework/Classwork
It is a student's responsibility to complete homework/classwork and have it ready when the due date arrives. We ask that parents monitor these assignments. A student with three missing work papers in any given subject may be issued disciplinary action. Teachers accept homework for partial credit up to three class periods after the assignment was due. After three class periods following the initial due date, teachers are not required to give credit for an assignment.

Time allotment for homework depends on the type of assignment and on the age and grade level of the student. If parents feel the homework assignments are excessive, administration asks that parents discuss the issue with the teacher.

St. Jude School teachers make every effort to post homework assignments to Digital Academy by 4:00 pm each day.
ACADEMIC ASSESSMENT

Digital Academy
Digital Academy is a secure website that enhances communication between home and school. Teachers in grades K-8 upload grades at least once every two weeks during the school year. In addition, teachers make every effort to post homework by 4 pm each school day and may post upcoming tests and projects in an effort to keep parents better informed. St. Jude School strongly advises parents and students to use Digital Academy consistently. Parents are able to monitor the academic progress of their children and remain aware of late or missing work by selecting a setting within Digital Academy.

Kindergarten-2nd Grade Report Card Grading Scale

4-Exceeds the Standard:
Student independently exceeds and shows a deeper understanding of the Grade Level Standard.

3-Meets the Standard:
Student meets the Grade Level Standard while requiring minimal support. Student demonstrates consistent application of the skill. Meeting the Grade Level Standard should be celebrated.

2-Approaches the Standard:
Student is progressing toward basic understanding of the Grade Level Standard. Student performance demonstrates a partial understanding of the knowledge and skill expected at this grade level. Student needs assistance to meet Grade Level Standard.

1-Does not yet meet the Standard:
Student is not meeting Grade Level Standard. Student performance does not demonstrate an understanding of the knowledge and skill expected at this grade level. Student is working below grade level. Student needs continued support; struggles even with assistance; receives intervention.

Report Cards
Report cards are issued quarterly to all students. St. Jude School holds report cards if fees and tuition are not up-to-date. The school requires that report card envelopes be signed and returned to the school within one week.
Interims
St. Jude School issues paper interims in classes where the student earns a C- or below for grades 3-8. For grades K-2, teacher discretion determines the need for an interim. St. Jude School requires that interims be signed and returned to the issuing teacher within three days. The school posts interim dates on the parent calendar.

Academic Watch
St. Jude School places students who receive two "F" grades OR three or more grades below average (Ds and Fs) on Academic Watch for one full quarter.

The student, parents, and teachers meet to work out a remediation plan. During the next grading quarter, the student must work to fulfill the requirements of this remediation plan. It is the parents’ responsibility to monitor progress in those subjects where grades are below average. If, at the end of the quarter, the student has completed the remediation plan and no longer earns two "Fs" or three grades below average, he/she is removed from Academic Watch and encouraged to continue using the designed plan for continued success.

Conferences
Each calendar year the administration allots time for parent-teacher conferences in the fall and spring. Parents are encouraged to schedule a conference if a teacher requests one.

If a parent wishes to request a conference during the school year, a time should be arranged directly with the teacher.

Promotion / Retention
Promotion is based upon the following principles:
1. A student is promoted on the basis of his/her mastery of work in the grade level.
2. To be promoted, a student should have at least a yearly general average of 70%.

St. Jude School retains students in the same academic grade during the next academic year that receive an F (69% and below) average in three or more core subjects (Math, English, Reading, Science, Social Studies) at the end of the academic year. Administration notifies parents/guardians about possible retentions at the end of the first semester (second grading period) or early in the third quarter. Though some students receive passing grades in academic subjects, their total development appears hindered by circumstances unique to the individual. In some cases, these students may benefit from retention. If a student fails one core subject (Math, Reading, English, Social Studies), St. Jude expects the student to correct the failure by attending summer school for the particular subject failed. St. Jude School does not offer summer school.

Testing
St. Jude School administers standardized tests to gather data and comply with diocesan and state mandates.
ATTENDANCE

Absence

According to Ohio School Law, parents are required to send their child to school on every scheduled day of the school year. The parent/guardian needs to assume responsibility for student absences. St. Jude School discourages absences for any reason other than illness.

For the health of the school community, we encourage children to stay home if they are ill. In order to promote this choice, St. Jude School does not award perfect attendance.

St. Jude School requires a parent or guardian to call or email the school office by 8:15 am regarding a child’s absence. If the school office is not notified by 8:15 am, the school will call a parent or guardian to verify the absence.

In addition to a phone call, St. Jude School requires an email, written note, or doctor’s excuse containing the following information: dates/times of absence, reason for absence, and name of student, be sent with the student upon his or her return after an absence. Absences are considered unexcused until the written note or email is received by the office. A link to an absent note form is posted on the St. Jude School website.

House Bill 410 requires that if a student is absent with or without a legitimate excuse from school 38 or more hours (approximately 5 days) in one school month, or 65 or more hours (approximately 9 days) in a school year, the following will occur. Administration will notify the child’s parent or guardian of the child’s absences after the date of the absence that triggered the notice requirement. If a student’s absences surpass the threshold of excessive absences, a meeting with the school Absence Intervention Team will be required. At no time, however, will students be expelled or suspended out of school due to excessive absence or truancy.

Excused Absence

St. Jude School Administration is the determining agent for excused absences. Parents/guardians may request that a student be excused for the following:

1. Personal Illness
2. Illness in the immediate family
3. Death in the immediate family
4. Quarantine
5. Religious Holiday
6. Assisting parents/guardians in emergency work
7. Extenuating circumstances excused by administrator
Tardy
St. Jude School excuses tardies with proper written verification ON THE DAY OF medical or
dental appointment, funeral visitation, court appearance, etc. This means that if your
child/children are tardy due to a medical or dental appointment, funeral visitation, etc., written
verification MUST be submitted to the school office at the time of your child/children’s re-
admittance into school. Failure to do so will result in the tardy being marked as unexcused.
St. Jude School issues detentions after every third unexcused tardy during a quarter.
After the ninth tardy, the school reserves the right to issue an in-school-suspension.
St. Jude considers students arriving at school between 7:45 am – 7:55 am tardy. Students
arriving after 7:55 am are considered absent according to the Absence Policy.

Leaving During the School Day
St. Jude School encourages parents and guardians to schedule appointments for students
outside of school hours.

No student may leave during the day without written permission or a phone call to the office
from a parent or a guardian. A student may be released from school only to his or her parents or
to an authorized person (must be 18 years or older).

In case of family difficulties (separation, legal difficulties, etc.), a student may be released only
to the parent or individual with legal custody. St. Jude School requires parents to provide legal
documentation of any custody agreements. St. Jude School is not responsible if legal
documentation is not provided.

Absent Work
While it is the responsibility of the student and the teacher to see that make-up work is
completed, make-up work is primarily the responsibility of the student. The student is
responsible to get make-up assignments and to complete and submit work assigned within the
designated time. If a student is absent one day, absent work will be given following the
student’s return to school. For two or more days absent, a parent or guardian may request work
from the main office by 9:00 am to be picked up after 3:00 pm. Students will have the same
number of days to make up work as the number of days in which they were absent from school.

St. Jude School is not responsible for providing work or assignments in advance due to a family
vacation, regardless of advance notice. It is the student’s responsibility to obtain any work
covered during the period of absence upon return to school. Students may also check Digital
Academy for homework assigned during the vacation.
STUDENT CODE OF CONDUCT

St. Jude School defines a student as a child who has been officially enrolled in St. Jude School by a parent or legal guardian.

Discretionary Statement

The principal and pastor, conjointly, make the final decision in all disciplinary situations and may waive any or all regulations for just cause at their discretion. St. Jude School reserves the right to search anything brought on school property.

Rationale for Code of Conduct:

In all areas of Christian formation and learning at St. Jude School, the infusion of Gospel values into the school environment is a priority. St. Jude School considers CYO sporting events as part of the school environment. With the Gospel as a guideline, the school community is strengthened by a Code of Conduct which has four purposes:

- To bring about self-discipline
- To form children who will respect life and authority
- To encourage children to conduct themselves within the rules and regulations of a Catholic school community
- To protect the rights of each individual

St. Jude School encourages students to adhere to the Code of conduct by following the Essential 10:

1. Act in a way that other’s see Christ in you.
2. No matter the circumstances, always be honest.
3. Follow the specific classroom protocols.
4. Greet adults by name in the hall.
5. Complete your work.
6. Respect other’s comments, opinions, and ideas.
7. Do not show disrespect with gestures.
8. Be the best person you can be.
9. If you win, do not brag; if you lose, congratulate the winner and do not show anger.
10. Always give 100% effort or go the extra mile.
Violations of a Serious Nature

Use of Narcotics, Alcoholic Beverages and Stimulant Drugs, Smoking, Vaping

- Students shall not possess, use, transmit, sell, conceal, or be under the influence of an alcoholic beverage or intoxicant or any of the drugs or abuse defined by the Ohio Revised Code on school grounds, at school sponsored or related functions or activities off school grounds, or at any other time the student is subject to the authority of the school.
- Students shall not possess, use, transmit, sell or conceal any drug or drug abuse instrument on school grounds or at any other time the student is subject to the authority of the school.
- The penalty for violating any of the above may be suspension and/or expulsion, and/or referral to a chemical dependency "core team."
- Smoking is also prohibited and will be considered reason for suspension and parent notification.

Weapons and Gangs

- The Policy on Youth Gangs and Weapons suggested by the Diocese of Cleveland has been adopted by St. Jude School.
- Youth gangs and gang-related activity are prohibited. A gang is defined as any non-school sponsored group, usually secret and/or exclusive in membership, whose purpose or practices include unlawful or anti-social behavior or any action that threatens the life of others. Gang activity includes but is not limited to: a manner of grooming, hairstyle and/or wearing of clothing, jewelry, head coverings or accessories, display of gang markings, slogan or colors on school or personal property or clothing, use of hand signals, gestures, vocabulary or nicknames.
- Possession or use of fireworks and/or firearms, weapons or weapon-like instruments as a potential danger to life and limb subjects the student to a recommendation of suspension or possible expulsion. (The entire policy is available in the school office.)

Defiance of School Authority

- Defiant behavior toward staff members or any school authority
- Threatening or assaulting a school employee*
- Threatening or assaulting another student*

*St. Jude School defines threat as an individual believing that personal safety has been put in jeopardy, in accordance with ORC 2903.21-22.

Harassment

- The administration and staff of St. Jude School believe that all employees and students are entitled to work and study in school-related environments that are free of sexual harassment.
- St. Jude School will not tolerate harassment of any type, and the appropriate disciplinary action will be taken.
- Disciplinary action may include suspension or expulsion.
- Examples of peer sexual harassment include, but are not limited to, verbal, written or
social media taunting; bullying; other offensive, intimidating, hostile or offensive conduct; jokes, stories, pictures, cartoons, drawings or objects which are offensive, annoy, abuse or demean an individual or group.

**Threats**
- Any and all student threats to inflict any harm to self or others will be taken seriously.
- Whoever hears the threat should report it immediately to the principal.
- Judgment as to the seriousness and immediacy of the threat will indicate notification of the parents and/or police as the situation warrants, along with any intended or potential recipients of the threat (i.e. adults, or, if the threat is directed against a student, the parents of the student).
- The student will remain in an administrator’s office under supervision.
- The parent/guardian of the student who has made the threat will be notified.
- Disciplinary action may include any or all of the actions indicated in the enforcement section of the Code of Conduct.

**Pregnancy**
- Pregnancy Policy #5115 has also been adopted by St. Jude School and a copy is available in the school office.

**Disciplinary Measures**
In a Christian atmosphere, disciplinary measures are means of maintaining a positive learning environment for the child as well as for others. St. Jude School categorizes disciplinary measures in the following manner:
- **Minor Infractions**—to be handled by the classroom teacher
- **Major Infractions**—to be handled by Level Leaders with Administration support
- **Severe Infractions**—to be handled by Administration

Consequences for infractions are based on the first, second, third, or more offenses by students. St. Jude School disciplinary actions include, but are not limited to:
- Faculty/staff guidance
- Teacher/parent cooperative efforts
- Loss of school privilege
- Removal of child from classroom
- Detention
- Suspension
  - The student will be removed from the classroom until a conference is held with a parent or guardian. During the conference, arrangements will be made regarding the length and type of suspension.
  - The student will be given the opportunity to present the facts related to the case as he/she sees them.
  - When deemed advisable, the suspension will be an “In School” suspension unless circumstances warrant another procedure.
Credit for work completed during an In-School or Out of School Suspension is the following:

- 1-Day Suspension results in the student receiving 75% credit on work completed
- 2-Day Suspension results in the student receiving 50% credit for work completed for the entirety of the suspension
- 3 or more days Suspension results in the student receiving 25% credit for work completed during the entirety of the suspension

Expulsion

- Expulsion of a student from school is a serious matter and will only be used when absolutely necessary. In some cases, the principal and/or pastor may deem an action by a student so severe that it would result in immediate expulsion from school. This decision is the right and responsibility of the principal and/or pastor.

St. Jude School ensures that all students:

- Are informed of charges and evidence
- Are given the opportunity to present one's case
- Have the right to appeal

Notification of the expulsion will be given to all concerned and to the diocesan representative.

St. Jude School administration reserves the right to revoke acceptance in enrollment for a subsequent school years.

School Uniform

St. Jude School expects students to come to school and return home in uniform unless permission is given by staff. Students must wear clean, neat, and appropriately-sized clothing. Students not in compliance with the uniform policy may be required to call parents for proper uniform clothing or may be provided with uniform attire from the St. Jude School uniform thrift shop. The school administration reserves the right to make final decisions regarding any questions that concern the school uniform policy. St. Jude School issues uniform violations to students not in compliance with the uniform policy. Multiple uniform violations may result in disciplinary action.

Any changes require a note from the parents and the signature of the school administration. In an emergency, permission can be obtained from the Elyria Bus Coordinator to ride another bus if it does not involve a different school district.

At the beginning of the year, each student signs a paper which outlines proper bus conduct for all students and explains the action taken by the respective school district if rules are not obeyed.

St. Jude School expects students to conduct themselves on the bus as they would in the classroom. Failure to comply with bus rules will result in a notice from the bus driver to be signed by both parents and the principal. Misbehavior on the bus may result in the loss of transportation privileges.

**Communication**
St. Jude School prohibits parents or other persons from going directly to a classroom during school hours to speak to a student or a teacher. A message to an individual student may be given through the office until 2:00 pm. Students are not permitted to receive phone calls during the school day. The school limits phone calls by students after 7:50 am to emergency circumstances only. St. Jude School requires a phone pass for calls made after 7:50 am.

In addition to information being sent home through the student, St. Jude School communicates with parents via email and the weekly newsletter. The school website serves as an important informative tool and can be found at [www.stjudejaguars.org](http://www.stjudejaguars.org).

**Confidentiality**
The confidentiality of student records and privacy rights of students and parents shall be mandated in compliance with the Family Education and Privacy Act. St. Jude School believes information pertaining to your child is confidential and will not be released by the school to third parties without first obtaining written permission. However, it may be necessary to share relevant information relating to your child’s family situation, medical status, and behavioral characteristics with authorized members of the state child care licensing agency or with persons authorized by the state licensing regulations or law. St. Jude School is required to comply with subpoenas for information and documentation without parental consent.

**Contacting Staff**
St. Jude School encourages an open line of communication between teachers and parents or guardians. The school provides email addresses for teachers on the school website and on Digital Academy. Teachers make every effort to respond to emails within a 24-hour time frame. Phone call requests may be left with the school office for a teacher to return a phone call outside of class time. The staff will be most willing to make an appointment to confer with parents. If you wish to discuss any matter in person, please email the staff member to make an appointment.

At 7:30 am, students will be dismissed to walk to their classrooms. Registration for Early Care must be completed using the following link, [http://weblink.donorperfect.com/Register_StJudeSchoolExtDay](http://weblink.donorperfect.com/Register_StJudeSchoolExtDay).

**Extended Day Care**
St. Jude School’s Extended Day Program provides time for quiet study, a snack break, and organized physical activities. The program runs from 2:30 pm to 6:00 pm each school day. Registration for Extended Day Care must be completed using the following link, [http://weblink.donorperfect.com/Register_StJudeSchoolExtDay](http://weblink.donorperfect.com/Register_StJudeSchoolExtDay).

**Electronic Devices and Cell Phones**
St. Jude School administration recognizes that some families feel the need to equip their students with a cell phone and acknowledge that for safety reasons parents want to be able to contact their student before school, after dismissal, and at other times outside of the school day. Administration requires the following:

- Students must have cellular devices turned off and stored in their book bag during the school day.
- Cellular devices found outside the book bag or heard throughout the school day will be collected by the teacher and sent to the Principal where it will need to be picked up by a parent.
- Repeated violations of the cellular device policy will result in further action on the part of Administration.
- **Apple Watches or other Smart Watches are not permitted in school.**

**Emergency Closing**
St. Jude School announces closure of the school via our emergency text system, email, social media, and local television and radio stations. St. Jude School advises parents to not call the school or rectory regarding school closures.

The following television and radio stations will announce school closings:

- WEOL – AM 930
- Television channels 3, 5, 8, and 19
**Fidgets**

St. Jude School permits school-provided fidgets to be used in the classroom. Fidgets are tools used to help students focus and be more productive. If a fidget is a distraction to the student or others, the fidget will be taken away. St. Jude School does not permit fidgets (including fidget spinners) from home without permission from staff members.

**Lost and Found**

St. Jude School provides an area for misplaced items located by Carrabine Hall. Items not claimed at the end of each quarter will be donated to the Uniform Thrift Store or charity.

**Lunch Program**

St. Jude School provides the Fresh Market a la carte lunch program in which food and drink can be purchased during the student’s assigned lunch.

St. Jude School issues lunch cards to each student. Replacement cards are available for $1 and require 48 hours to activate. Menus are issued in the weekly newsletter.

Lunch money can be loaded in two ways:

- **Online**
  - An auto reload option is also available
- **At school between 7:30 am and 7:45 am**
  - Cash only through the kiosk which does not accept coins or bills larger than $20

St. Jude School offers two options for students that do not have a lunch or do not have money on the lunch card:

- Students can call home to have money loaded on the card through the website
- If a parent cannot be reached, students will be given crackers and water.

St. Jude School enforces all classroom rules and expectations during lunch and recess.

St. Jude School permits parents and other family members to join students for lunch. Visitors must sign in at the office. St. Jude School prohibits visitors from providing food to other students. St. Jude School does not permit students to leave the school property unless an authorized person (over age 18) has signed the attendance book in the office.
St. Jude School suggests visitors call the office to verify lunch times, because regular lunch times are subject to change. The recess/lunch times are as follows:

**Parent Teacher Organization (PTO)**

The mission of the St. Jude Parent Teacher Organization is to enhance the educational experience of our students by supporting the school financially and through coordination of parental participation to reflect the ideals of St. Jude School and our Catholic faith.

Membership consists of all parents of students who are enrolled at St. Jude School. Participation in PTO-sponsored activities and attendance at meetings is a powerful expression of support of the students and the school. PTO meetings are held as necessary and will be communicated in the weekly newsletter.

PTO supports many initiatives at St. Jude School that benefit all students who attend. Through our fundraising efforts, we support class field trips, playground equipment, classroom supplies and equipment, technology improvements, special school projects, art and education activities.

All families are encouraged to attend all PTO activities throughout the year. These events are designed to be low-cost, fun activities to help families get to know one another and build our community at St. Jude School.

Parents will have a number of opportunities to volunteer at school. Anyone that volunteers at St. Jude School more than once a month must have Virtus training and fingerprinting.

HEALTH AND MEDICAL

Administration of Medication
St. Jude School advises parents to administer all medication at home when possible. If a medication is to be administered at school, St. Jude School requires that the medication is brought to the nurse by the parent or guardian.

The following procedures will be used to administer medication during school hours:

Prescription Medicines
- A written and signed order from the physician is required. It must detail the name of the drug, dosage, time interval (including start date/end date) that the medication is to be given, and diagnosis or reason for the medicine.
- Must be in the original, unopened container provided by the doctor or pharmacy

Over the Counter Medications
- Written and signed permission from the parent or guardian is required. It must detail the name of the medicine, dosage, and time interval (including start date/end date)
- Items must be sent in original container.
- This includes any over the counter medicines including cough drops, eye drops, and topical medications/ointments.

AIDS Policy
Children with Acquired Immune Deficiency Syndrome (AIDS) enrolled or seeking enrollment in Grades K through 8 shall be permitted to attend school in a regular classroom setting provided:

1. The health of a child, as documented by his/her physician, allows participation in regular academic school activities.
2. The child behaves acceptably; in a manner that would not cause spread of the disease or in any way put others at risk.
3. The child does not have open sores, skin eruptions, or any other condition which prevents his/her control of bodily secretions.
4. There are periodic evaluations of the child's physical condition with written certification from his/her physician allowing continuing participation in regular academic school activities.
The pastor and principal will confer with the appropriate persons and consult with the regional superintendent before the pastor makes the final decision on each case in the parish school.

Parents and guardians have the obligation to report to the school administration when any child has been diagnosed as having AIDS (Acquired Immune Deficiency Syndrome), ARC (Aids Related Complex), or other illness caused by HIV (Human Immune Deficiency Virus that causes AIDS, also known as HTLVIII or LAV).

In order to protect confidentiality, when a child with AIDS is admitted to school, personnel who are made aware of the child's condition should be the minimum necessary to assure proper care of the child.

Based on the condition of the child and the expected type of interaction with others, the principal, after consultation with the proper authorities, may limit the child's participation in school activities.

A student with AIDS who is excluded from school, shall be provided with an alternative means of catechetical instruction.

Policy #5117 formulated by Board of Catholic Education, Dioceses of Cleveland, Cleveland, Ohio.

Health and Accident Policies

In the event of illness or accident during school hours, St. Jude School requires staff to send the student to the school nurse where first aid is administered. If the accident or illness warrants it, parents are notified and appropriate action is taken. If a student vomits at school, the parents will be notified, and the student will be sent home. No child is permitted to leave the school grounds at any time until the parent has been contacted and the child is signed out by the authorized adult (must be 18 years or older). Students should be informed of this regulation by parents.

Diocese of Cleveland, Office of Catholic Education
Wellness, Food, and Beverage Policy #6102.38

Rationale

Catholic education has as its goal the total development of the individual as a responsible member of the family, the Catholic faith community, and the global community in which we live. Good health is essential to wholesome growth through the spiritual, mental, physical, and social development of the individual as well as the community.
A major theme of Catholic social teaching, *Human Dignity and the Value of All Life*, carries the responsibility to care for the health and well-being of not only oneself, but of others. The concept of wellness is a core principle undergirding both health and physical activity. The parable of the talents indicates that we are expected to develop our potential and our gifts. Another of the justice themes calls us to *Care for God’s Creation*. There is a direct relationship between the health of the planet and the health of its human inhabitants.

The link between nutrition, physical activity, and learning is well-documented. Healthy eating and activity patterns are essential for students to achieve their full academic potential, full physical and mental growth, and lifelong health. Healthy eating and physical activity, essential for a healthy weight, are also linked to reduced risk for many chronic diseases. The schools of the Diocese of Cleveland, and the community itself, have a responsibility to help students learn, establish, and maintain lifelong healthy eating and activity patterns.

**Statement of Policy**

The schools of the Diocese of Cleveland are committed to providing school environments that promote and protect children’s health and well-being. It is the policy that:

- All students in grades K-12 will have opportunities, support, and encouragement to be physically active on a regular basis, and school staff will be encouraged to role model healthy eating behaviors.

- To the extent practicable, students will be provided access to a variety of affordable, nutritious, and appealing foods that will meet their health and nutrition needs, while accommodating the religious, ethnic, and cultural diversity of the student body in clean, safe, and pleasant surroundings with adequate time to eat.

- Food and beverages sold or served throughout the school day will meet, at a minimum, nutrition requirements established by local, state and federal statutes and regulations as well as, to the maximum extent possible, incorporate the *Dietary Guidelines for Americans*.

- Schools will maintain a food safety program that is based on the principles of the Hazard Analysis and Critical Control Point (HACCP) system implemented with the intent of preventing food-borne illnesses.

**Commitment to Nutrition**

**Minimum Requirements**

**General**

- Administer Child Nutrition Programs by school food service staff members that are properly qualified according to current professional standards.

- Offer school meal programs using the traditional meal pattern that meet the nutrition standards established by the U.S. Department of Agriculture (USDA) and the Ohio Department of Education, Office of Nutrition Programs.

- Encourage increased participation in the available federal Child Nutrition programs (e.g. school lunch, breakfast and milk programs).
• Establish food safety as a key component of all school food operations based on Food Code requirements for licensed facilities.
• Encourage students to make healthy food choices by emphasizing menu options that feature baked items (will limit fried foods), whole grains, fresh fruit and vegetables, and reduced-fat dairy products.
• Provide school food service staff routine professional development training opportunities.
• Follow USDA Child Nutrition Program regulations restricting competitive food sales and serving of foods of minimal nutritional value.
• Encourage school-based organizations to use non-food items and/or healthful foods for contests and fundraising programs.
• Ensure all foods made available on campus comply with state and local food safety and sanitation regulations. Hazard Analysis and Critical Control Points (HACCP) plans and guidelines are implemented as required by Child Nutrition Program regulations regarding school meals.
• Ensure water is available to students during mealtimes at no charge. If water fountains are not available in eating or adjacent readily accessible areas, water will be offered via other means such as pitchers, coolers, etc.
• Monitor all food and beverages sold or served to students outside of the federally regulated child nutrition programs (i.e. vending, school stores, fundraising efforts) by school administration to ensure compliance with all local, state, and federal statutes and regulations. Nutrient density and portion size will be considered before permitting food and beverages to be sold or served to students. State provided software (if provided and available) or Alliance for a Healthier Generation guidelines and software will be utilized to determine acceptability of items in relation to specific nutrition guidelines.

Nutritional Quality of Foods and Beverages Sold and Served on Campus

School Meals

• Meet, at a minimum, nutrition requirements established by local, state and federal statutes and regulation;
• Offer a variety of fruits and vegetables;
• Serve only low-fat (1%) and fat-free white milk, fat free flavored milk and nutritionally-equivalent non-dairy alternatives (when required and to be defined by USDA); and
• Ensure that half of the served grains are whole grain.

Foods and Beverages Sold Individually
(i.e., all foods sold outside of reimbursable school meals, such as through vending machines, cafeteria a la carte lines, fundraisers, school stores, etc.)
The schools of the Diocese of Cleveland will ensure that student access to foods and beverages meet federal, state, and local policies and guidelines, including Ohio Senate Bill 210 requirements for evaluating food and beverage items to sell a la carte. Schools will comply with the most recent guidelines for competitive food sales issued by the Alliance for a Healthier Generation in respect to the sale of a la carte food items. Additionally, Senate Bill 210 includes specific guidelines and restrictions on beverages that must be followed.

Schools shall provide at least 10 minutes from the time the student sits down until the end of the period to consume lunch. However, following the National Association of State Boards of Education recommendations, every effort will be made to provide students with 20 minutes after sitting down to eat lunch.
• Schedule meal periods at appropriate times with not less than three hours between breakfast and lunch. Lunchtime as near the middle of the school day as possible, preferably between 11 am and 1 pm.
