The Hope House Dinner, Saturday 10.6.19

What is most Important?

You can only have one thing that is the most important in your life. When I ask my children what is the most important thing in their lives, they know to respond, "God." But just because you know that is the right answer doesn't make it the truthful answer. Total allegiance to a sports team seems easier. You won't find a Packers fans secretly wearing a Bear's jersey. However, we can find Christians secretly hoarding their money or doing things based solely on the love of money.

Maybe the problem lies in the fact that, at times, we are merely lukewarm fans of Jesus and not disciples. If we truly have matured in our faith and strengthened our relationship with him, then real commitment comes easier. There will always be a temptation for money to take the place of Jesus, but the more committed we are, the harder it is to allow anything to come between us and our God. The question we all must continually ask ourselves is, "Is God truly the most important thing in my life?"
