This week's second collection is the **Home Missions-Our Own Needs Collection**. Thank you in advance for your generous support of this important work here in the United States collected annually on Pentecost Sunday. The four beneficiaries represented in this collection are: **The Black & Indian Missions**: In our diocese we annually receive a grant from this collection for outreach for our parishes in Neopit and Keshena for service to the Menominee Indian Tribe. **The Catholic Communications/Evangelization**: Connects people with Christ through media programming to promote Gospel values. Information from this organization is attached to this bulletin.

Catholic Home Missions Appeal: assists over 80 home mission dioceses in the United States. They are unable to fund the essential pastoral work needed, your support helps to ease the struggle of these dioceses and ensure the Gospel is spread across the US. **Catholic University of America**: was established by the Vatican and US Bishops to provide an education guided by Catholic Tradition to nearly 7,000 students every year. Every dollar donated directly supports financial aid to students. You may donate to any or all of the four worthy organizations.
