**Tithing Tip #6** – ... OFFERINGS AND TITHES (DEUT. 12:5-6)

*But you shall seek the place that the Lord your God will choose out of all your tribes to put his name and make his habitation there. There you shall go, and there you shall bring your burnt offerings and your sacrifices, your tithes and the contribution that you present, ...*

The tithe was not a volitional offering. The 10 percent off the top belonged to God and the Israelites simply repaid it. But this wasn't the only obligatory tithe. They also tithed to support a special jubilee festival (Deut. 12) and took a third tithe every three years to take care of orphans, widows, and the poor (Deut. 14). These mandatory offerings averaged out to about 23 percent a year. ... They could—and frequently would—give exorbitantly out of their excess. In response to Moses' call for contributions to the building of the Tabernacle, the Israelites literally gave so much that Moses had to command them to stop giving (Ex. 36:2-7).
