Janice Moeller was called home to the Lord on Wednesday, November 4, 2020. The Mass of Christian Burial for Janice will be held at St. Patrick's Monday, November 9th. Let us remember Janice and her family in our Masses and daily prayers.

Christmas - We will probably add an extra Mass on Christmas Eve day. We can start at 1:00 that day per Bishop Ricken. So we could have a 1:00 and 4:00 to accommodate those who want to attend with pandemic guidelines in place. We will also have the usual Christmas Day Mass. More information to come in the near future as we make a plan to celebrate Jesus' birth.

Food Drive Volunteer – Thank you very much for the donations. We're looking for a volunteer(s) to pick them up at church and take to the food pantry. Call Barbara if able to help.

The Parish Annual Meeting will not be held. Upcoming parish mailings will include the parish financials for fiscal year 2019-20. Thank you in advance for your understanding. This is the recommendation of the Diocese and Fr. John.

Dispensation from obligation to attend Sunday Mass reinstated - On Monday, October 5, Bishop Ricken reinstated the dispensation from the obligation to attend Sunday Mass in the diocese until further notice. Even with the reinstatement, we will continue to celebrate the Mass publically every weekend for those who are able to attend and willing to strictly follow the proper health protocols. During this time of increased infection, our parish will be even more vigilant in observing the health protocols shared in the diocesan guidelines to prevent the spread of disease and allow as many people as is safe to come to Mass without fear of infection. The wearing of masks is mandatory at Masses celebrated throughout our diocese. Thank you for your support and compliance as we as a community of faith come together to worship in safety.

Stay Healthy – Please continue to take precautions against this pandemic. It's easy to not pay attention after nine months of caution, but it's still out there. So continue to be careful. God's bigger than the virus and He loves YOU.

Pope Francis' Intention for November: *We pray that the progress of robotics and artificial intelligence may always serve mankind.*

Bishop Ricken's Intention for November: That all men and women may take seriously their responsibility to discern their call to serve the Church as priests and religious.

For the Safety of the Armed Forces

Almighty and eternal God,
Those who take refuge in your will be glad and forever will shout for joy.
Protect these soldiers as they discharge their duties;
Protect them with the shield of your strength and keep them safe from all evil and harm.
May the power of your love enable them to return home in safety,
that with all who love them, they may ever praise you for your loving care.
We ask this through Christ Our Lord. Amen
