VIRTUS TRAINING

*Any adult interested
in volunteering for
Holy Family
Catholic School must
take the VIRTUS
training. This is an
ideal way to get it
done and stay safe.*

In light of the current health conditions, one prudent and preventative measure we are taking is to make the VIRTUS Protecting God's Children for Adults training available online as an option. Effective immediately, due to COVID-19, the Archdiocesan requirement for attending a VIRTUS Protecting God's Children for Adults workshop live session will be suspended, and the option of the online version of the module can be offered in lieu of live training. This is a temporary safety precaution, and parishes may still offer the live training session available as an option if they prefer as long as the local county and state ordinances in effect at the time of the event are followed. Please note, the training must still be completed prior to participants working around youth, but the requirements may now temporarily be met by completing the online Protecting God's Children module. Individuals needing to attend a session will be offered the option of the online module at the time of registration. They will still need to follow the background screening and policy completion process at the time of registration. Individuals who are already currently registered for an upcoming live session may log back into their account and change to the online module. These procedures will be reviewed and updated periodically as needed and are in place to protect you, those you work with, and your family. Please stay safe and healthy and continue to pray for all our brothers and sisters in Christ! We are praying for all of you and your families. Questions?
