**PAGE THREE**

***From the Pastor:***

My Dear Parish Family:

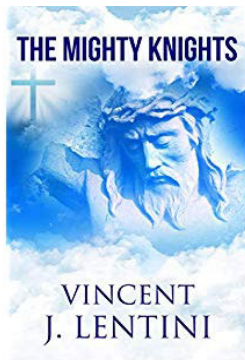

If you have not already done so, please take a look at the prints that I placed in our Church (they are up front right before the entrance to the inside rectory door.) Fr. Taylor gave them to us. There are four prints from Italy of the first Benedictine Monastery. They are beautiful and I was finally able to get them framed and hung for everyone to see. Also, up front on an easel next to the statue of St. Benedict is a print of a page from the book of Psalms. This print is a replica of the type of work that the Benedictine monks would have done in the Middle Ages. It is just a copy and written in Latin, but again it was given to us as a gift and so I am proud to be able to display these treasures.

On a more mundane note, over the past few weeks, we have had some people *miss the first step* as you leave Church. Therefore, I am asking everyone to be very careful as you leave Church. We are looking into getting "something" that will help us all be safe when leaving the Church, but until then - please **Watch Your Step as you leave Church.**

Finally, although some of you may not realize that I will be away, I will be going to Boston for a few days this week but will return by Saturday.

And so...until next week, peace! St. Benedict and Cardinal Cooke, Servant of God, pray for us!

***Fr. Stephen P. Norton***

### TREASURES FROM OUR TRADITION

On a summer day, with the windows open, we may hear the sound of church bells. Bells seem to have come into church life in Irish monasteries around the seventh century, and spread around the Christian world by Irish monks on missionary journeys. By the eighth century, bells were standard equipment in even small parish churches. An ancient ceremony, once called the "baptism of the bells," recognizes that the church bell has a voice to call people to awareness and summon them to worship, and even bestows a name on the bell.

In a world without clocks or watches, the bell had an indispensable role. For calling monks in from the fields for prayer, or alerting far-flung visitors, the bell's voice was enhanced by hoisting it high into a tower. Soon it was learned that the sound of several bells clanging together in harmony imparted a sense of joy to great celebrations, and bell towers prospered, some chock full of bells. Different combinations of rings could indicate a death, a Mass, a wedding, a fast day, the curfew at the end of day, and the Angelus. Before electricity, bell-ringing was hard work indeed: the biggest bell in the Catholic world, in Cologne, Germany, weighs twenty-seven tons! There's no substitute for the resonant roar of a mighty bell; electric chimes are not eligible for blessing!

## Eucharistic Adoration

### ADORATION CHAPEL DAYS AND HOURS During the Summer 2019

- **Tuesdays from 9am until 4pm**
- **Fridays from 9am until 12:00 Noon**
- **Fridays we pray the Rosary at 11:00am (not 12:00)**

**EFFECTIVE TUESDAY, JULY 2nd**, there will be a change in the time for Adoration on Tuesdays and Fridays as stated above. The reason for a change in time is because the Rectory will close at 4:00pm on Tuesdays and at 12:00 Noon on Fridays. Therefore, for the safety of our Adorers, it is in everyone's interest that the Chapel and Rectory close at the same time. We will continue to pray the Rosary **EVERY FRIDAY at 11:00am (not 12:00 Noon)** in the adoration chapel. Please stop by the chapel and spend some quiet time with Jesus. Please tell a friend, neighbor and/or relative. **Thank you for your cooperation and God Bless you!**
