From the Pastor:

My Dear Parish Family,

We continue to live in the Easter joy on this Divine Mercy Sunday! God's mercy is always lavishly poured out for us each time we pray for mercy. We need the mercy of God because we are weak human beings and even though we have just recently celebrated the highlight of our faith on Good Friday and Easter Sunday. God desires to extend His mercy to us poor sinners, but we must ask Him for that mercy everyday. Our hope is to one day be in Heaven and we begin that journey to Heaven by begging God for mercy upon us. Never be afraid to ask for mercy from God because He desires to give us mercy and save us into eternal life but we must ask Him for that gift every day.

Although we have continued to curtail some of the activities here at the parish like praying the Divine Mercy Novena in Church we can still pray the Novena at home. God grants His mercy whenever and wherever we ask Him for it. Once again, I am encouraging all the members of the parish to return to Sunday Mass as an essential part of our faith. Attending Sunday Mass and receiving Communion worthily is important for our souls and our ultimate life in Heaven. I am also encouraging everyone to be vaccinated against COVID-19. I have already received my vaccination because I believe in the importance of staying healthy and safe as a parish family.

Until next week, Happy Easter! St. Benedict, pray for us. Terence Cardinal Cooke, Servant of God, pray for us!

Fr. Stephen Norton
