2021/2022 IRIS ALERT INFORMATION

Dear Parents,

Our School uses an immediate notification system called IRIS (Immediate Response Information System). This system will be used from time to time during the course of the year to let you know about events at the school. For example, we might issue an alert when we know school will be closed due to inclement weather. We might use it to let the parents of a particular class know that a field trip is running late. When you receive a call from the system, a recorded voice will begin by saying "This is an IRIS alert." Immediately following the introduction, you will hear the content of the message.

All students in our school have three phone numbers and two email addresses associated with them.

Please complete the form below:

Phone No. 1: Urgent and immediate

Phone No. 2: Back-up number (not as urgent but still very important)

Phone No. 3: Ordinary communications with your household

Email 1: Preferred email

Additional email address for any else you wish to be

Email2: notified
