Dominican Friars, Province of St. Martin de Porres

On December 8, 1979, as a response to the rapidly-growing Catholic population in the Southern United States, the Order of Friars Preachers (Dominicans) approved the foundation of a new Dominican Province – the Province of Saint Martin de Porres. The geographic boundaries of the province cover eleven states: Texas, Oklahoma, Arkansas, Louisiana, Mississippi, Tennessee, Alabama, Florida, Georgia, South Carolina, and North Carolina.
