Treasure update

- Janell- Nothing new to report at this time, since Konrad was out.

Projects

- Projector/screen for 3 year old preschool- estimated cost \$431 (\$335 for projector, \$30 for mount, \$66 Carver Construction)
- Motion to go ahead and order the projector and put it on a cart until we can have it mounted in the summer
- 2nd & 4th grade classroom renovations- committee will meet in January/February to start making plans
- Updated bids for bathroom renovation and new windows will be discussed at January's meeting.

Fundraising

- Minted- Raised \$312 as of 12/9/20
- Phelps- Raised \$472 as of 12/10/20
- Amazon Smile- Wondered how much the total was for that. So far \$98.05 this quarter, Saints Mary & Mathias Catholic School & Parish. Unsure if that is just deposited into the bank or if it is more of a credit.
- Restaurant- update from Janell. Boonies, Geo Johnz, & Port City Underground have not been receptive or have said that they would prefer not to participate at this time.
- It might not be the best as far as timing goes right now. If we don't have any great leads, maybe we should just hold off right now.
