 - They have keychains, lanyards, and books that teach & exhibit the Catholic faith. These make great gifts for Valentine's Day, Easter, First Communion, etc.
 - Beth also reached out to Tommy & the parish for involvement.

Projects

- Review bids for classroom windows- Kurt & Ben
 - Looking to purchase windows for the Pre-Kindergarten to 5th grade wing of the school. Also, included the boys and girls restrooms upstairs.
 - They will be horizontal sliding windows and energy efficient. They are looking at bids for Aluminum, Fiberglass, and Vinyl windows that would be recommended for our region.
 - Not looking to do the library or preschool windows at this time.
 - A motion to allocate \$65,000 for a window project, which will go into a bidding process & looked at by another committee. Passed with a majority vote.
 - Discussed window treatments, if needed will come at a later date. Included concern for safety, sunlight, and glare. Could look into something easy to clean and put up, if not needed, but there just in case.

- Elementary bathroom renovations update-Caitlin
 - Waiting to get a plumber in to put a camera down the pipes and examine the situation.

- Classroom Renovations
 - Plan to renovate the 2nd & 4th grade classrooms this summer.
 - No Asbestos needs to be removed, which saves us some money for the renovation.

- Will be looking into parent help possibly to help scrub walls and prepare the classrooms before construction can take place.
