 - We need to have more of a schedule for families or students to come in and clean up the garden area.
 - Do we want to have someone hired come on a more of a regular basis?
 - Wrap up the Mary garden for now and then we can address it early spring. Jesse is going to go ahead and spray one more round of RoundUp prior to the winter beginning.

 - Kim will make sure the banner is taken over to Grant School and returned

- Old Business
 - Back to school/new family night
 - It went well. Only 6 polos were ordered, so we will need to follow up about whether or not students were able to get their new polos.
 - The kindergarten students are all finished.
 - We will now complete the new student pictures on the tree.

 - Family Fun Night
 - First Friday of the school year. It was very hot.
 - Had more people RSVP than show up.
 - Some people were unable to attend due to the heat and/or people were very tired (due to the first week of school) or not feeling well.
 - We were not in it to make money, but we also didn't want to lose money
 - We also rented a bouncy house and then the other was donated.

 - Next year, we will not have it the first week of school, it was just too much. We wanted to keep homecoming week open, because of other activities and such. Maybe looking at the 2nd or 3rd week.
 - Maybe have the food in another spot, possibly have it behind the shed so we have more shade.
 - Also, not to do Labor Day because people are going out of town.

- Thank you Kim for all that you did for all of the heavy lifting for the food and Tailgate.
