The results of last weekend's second collection for the heating and sound systems are in. Thanks to your generosity, we raised **\$20,428**, more than enough to cover the cost of replacing the heating unit in the main worship space.

We will, therefore, be moving ahead with the replacement, with the aim to having the unit installed by the end of October

Flourishing Congregations Survey

Imagine if all churches could be strengthened across Canada, ours included. Our congregation, along with others in the Archdiocese of Ottawa, has partnered with the Flourishing Congregations Institute to be part of this transformation, and we would like your help! All adults who attend services at our parish are requested to complete the survey. The period for our parish to participate commences on the weekend of 19/20 October and closes the end of November. You will be asked to go to a link that is specific to our parish and take the 20 minutes to complete the anonymous national online survey. We are asking for at least 50% or more of our adult attenders to fill out this survey. With strong survey involvement, we will receive a parish-specific report that will inform planning on current and future parish initiatives. The Good Shepherd Parish unique link to the survey will be published in next weekend's bulletin, as well as on the parish website. Frequently asked questions regarding the survey are posted on our website now for your information. Should you have any questions on this survey, please contact our parish lead, Marilyn Olsen, Pastoral Council Chair at mabolsen@rogers.com; please enter "Good Shepherd Parish Survey" in the subject line.

K of C Parish Breakfast – The Knights of Columbus will be hosting a Parish Breakfast on Sunday, October 20th following the 9:00 & 11:15 am masses. Tickets will be sold this weekend after all Masses.
