WEEKDAY MASSES

We are able to begin holding two weekday Masses**, only on Tuesdays and Fridays starting Tuesday 14 July 2020.

For those wishing to attend either Mass, please note there is no requirement to register for the Mass.

You are all requested to please follow our parish COVID-19 protocols:

- take your temperature at home to confirm you are well enough to attend Mass
- wear your mask; no gloves when receiving Holy Communion
- enter Church by the Main/Front door
- on arrival, use the touchless hand sanitizer on the wall
- take a seat in the Main Worship Space, ensuring social distancing between you and others who are not in your group
- please depart the Church immediately following conclusion of Mass, ensuring social distancing is maintained at all times
- depart Church by the side door (down cloakroom hallway)

****Due to the COVID-19 requirements to clean between Masses we are unable to hold our regular schedule of weekday**

Update from the Finance Council:

It was so nice to be back at mass this past weekend – to celebrate the Eucharist with members of our parish community and to receive the Body of Christ after so long without it.

During the pandemic, the Finance Council has been meeting regularly via Zoom to discuss the parish finances. At our last meeting, we discussed the finances as they stood at the end of May 2020. Not surprisingly, the parish is running a fairly significant deficit - \$9,575. Last year at this time, the deficit was \$1,522.

These figures do not include revenues that the parish expects to receive from the Government of Canada via the Canada Emergency Wage Subsidy. The application for this benefit is being managed by the Diocese. To date, the parish has submitted applications for \$17,580. Once these revenue are received, the parish should be in a surplus position for the year.

As a Finance Council, we would like to thank you for your generous contributions to the parish. As a result of the pandemic, the parish worked with Canada Helps to facilitate online donations. To date, we have received \$6,584 through this process.

We have also received \$18,300 in payments left at the parish since the pandemic began. Without your contributions, we would not be in as strong a position as we are now.

We will continue to provide updates on a monthly basis for your awareness.

*Faithfully yours,
Sean Keenan
Chair, Good Shepherd Finance Council*

Please read the “Welcome Back to The Good Shepherd Church!” document before you register for Mass; a link to this document is on our parish homepage and it is also attached to this bulletin, page 3. This document details all information you need to be aware of when attending Mass during these days of the COVID-19 pandemic.

We need your help please!

- To help manage the weekend Masses we have a number of new protocols in place that include: welcoming, seating and wiping down church spaces. The time commitment is approximately 30-45 minutes before Mass (welcoming and seating); and 30 minutes after Mass (wiping down).
- We are now into our second week of holding three Sunday in-person Masses at our Church.
- In order to develop a monthly schedule for this critical new ministry, and so no volunteers are overtaxed, we need more parishioners to please consider this request and step forward.
- Are you in good health and would like to help in this important ministry, ensuring the ongoing safety of the re-opening of our church?

KNIGHTS
OF COLUMBUS

News from the Knights of Columbus Council 9005 Good Shepherd Parish

Summer is here and so are the summer doldrums. The fraternal year has concluded and the new fraternal year will begin sometime in September. The knights will not be doing much apart from some remote preparations for the coming fraternal year. But hold on. The church is just beginning to open and many volunteers are required to make things function. Remember from scripture our God is not a passive God. The father works, the son works and the Holy Spirit works. Since we are all members of the Body of Christ we too work according to our gifts and charisms. And so the knights have come to the rescue of the church. They have rearranged the seating in accordance with covid rules and there are many. They have supplied volunteers at the door of the church for registering and ushering purposes. Now I was at the 9 o'clock mass and I noticed there was plenty of room for a lot more people. So come on Knights fill those empty spaces. Bring you friends and relatives. Finally just as St. Paul worked on a ground floor level in building up the church so do the Knights who pride themselves on being practical Catholics build up the Body of Christ. No doubt the blessings of the Lord will follow.

James P. Tierney, Faith Director KC
