September 23, 2021

Dear Parents/Guardians,

We would like to inform you that the distance learning alternative will remain in place until Friday, October 8, 2021. Our plan to return to face-to-face instruction will be on Tuesday, October 12th, the first day of the second quarter. Please note that the October 12th date still remains a tentative return date, as again we continue to monitor the number of positive cases and impending executive orders from the Governor regarding school closures.

Our decision was based on the concern for our students. September 27th thru October 1st is Review Week; shortly after is Exam week from October 5th thru October 8th. We believe that remaining in the distance learning alternative will ensure less disruption and distraction for students as they prepare for their exams. Furthermore, as we have been monitoring the number of positive-cases reported, we continue to see numbers remaining in the 3-digit range.

It is important to know even in the distance learning alternative, our school community has been impacted by positive test results and close contacts. On behalf of Mr. Q and I, we would like to thank our parents and guardians for keeping us informed of the status of either the positive cases or close contacts of our students and/or their family members. Note that in informing us, we are able to inform our AOA Liaison, who then provides personalized guidance to our students and their families.

I ask that you keep me or Mr. Q informed *as soon as possible* if your child(ren) or any family member has been contacted by DPHSS and identified as either testing positive or has been identified as a close contact.

Mr. Q and I will keep you informed on any changes. We will also continue to keep you and your families in our prayers. Stay safe and God Bless.

Motus Spiritu,

Dr. Lisa Baza-Cruz, Principal

Mr. Anthony A. Quitugua, Vice Principal
