Re-Enrollment Reminder:

If you have not re-enrolled yet and you know you would like to re-enroll your child/children next year; I strongly suggest you do so, especially for the lower grades (K-5th). I am inundated with requests for Open House appointments and then application submissions. We already have many new families enrolled. Please don't wait and then not be able to get into a class. We want everyone back!

Have a great weekend,
