Last call for Gertrude Hawk candy orders. Please send in your order by Monday.

A **BIG THANK YOU** to the Le Teuff family for the thermometers and hand sanitizers! This is much appreciated!

**Attention:** If there are any parents who are in the healthcare field that can help our faculty and staff get an appointment to be vaccinated, this would be extremely helpful. We are trying to stay safe and healthy so we can continue to keep Christ the Teacher Academy open everyday!

One last reminder to parents - please leave the premises immediately after dismissal. Children are climbing on the snow mounds and this is very unsafe if they fall. Thank you for your cooperation.
