## Our Lord Jesus Christ King of the Universe

The feast of the Kingship of Christ sets the crowning glory upon the mysteries of the life of Christ already commemorated during the year...The faithful, moreover, will gain much strength and courage, enabling them to form their lives after the true Christian ideal. If to Christ our Lord is given all power in heaven and on earth, if all people purchased by his Precious Blood, are by a new right subjected to his dominion...it must be clear that not one of our faculties is exempt from his empire. He must reign in our minds, which should assent with perfect submission and firm belief revealed truths and to the doctrines of Christ. He must reign in our wills which should obey the laws and precepts of God. He must reign in our hearts, which should love God above all things, and cleave to him alone. He must reign in our bodies which should serve as instruments for the interior sanctification of our souls, or to use the words of the Apostle Paul, *as instruments of Justice unto God* (Rom 6:13).

*Pope Pius XI*
