This document should be read and retained along with other school information. The provisions contained herein are an essential part of each parent’s contract with their child’s school and are applicable to Holy Name Central Catholic Jr. Sr. High School, St. Peter Marian Central Catholic Jr. Sr. High School, St. Bernard’s Central Catholic High School and St. Peter Central Catholic Elementary School.

All students (new and returning current students) registering must have met their tuition obligation for the 2018-2019 school year and any prior year from any Diocesan Catholic School and may not register until their outstanding debt has been paid. This includes students attending classes the first day of school and subsequent days until all outstanding balances have been resolved.

In addition to the tuition rate that is set by the school, all students (new and returning current students) registering will be assessed a $195.00 non-refundable registration/processing fee.

International Students: In addition to the tuition rate set by the school and the $195.00 non-refundable registration/processing fee, all International Students will be assessed a $3,500.00 non-refundable International Student Processing Fee. Both of these online down payments must occur in order for the school to initiate processing of the student’s information in SEVIS and are contingent upon successful registration, completion and payment of these non-refundable processing fees and an active and current tuition payment plan agreement with FACTS Management.

All students (new and returning current students) registering are required to complete and set up a tuition payment plan agreement with FACTS Management Company. Tuition payment plans through FACTS Management Company are automatic bank payments from your bank/credit union through a checking or statement savings account. FACTS Management Company also offers a Visa, MasterCard, Discover or American Express credit card option for tuition payments. However, please note that there is a service fee charge of 2.85 percent per payment by the credit card companies if you choose that method of payment. This additional fee will be added to your total tuition payment agreement amount and to each tuition payment withdrawal of the tuition payment plan chosen.

The following tuition payment plan options are available to you:

One (1) payment can be made either on the 5th or the 20th of the month of June 2019.

Two (2) payments can be made either on the 5th or the 20th of the months of June 2019 and March 2020.

Four (4) payments can be made either on the 5th or the 20th of the months of June 2019, September 2019, December 2020, and March 2020.
Ten (10) monthly payments can be made either on the 5th or the 20th of each month beginning June 2019 and ending March 2020.

All FACTS tuition payment agreements will conclude as of March 20, 2020 for the 2019-2020 school year as contracted. There will be no automatic tuition payment withdrawals through FACTS Management after March 20, 2020, regardless of any automated correspondence you may receive from FACTS. All FACTS tuition payment agreements with outstanding balances as of March 25, 2020 will be automatically terminated and the outstanding tuition balance will be due the school in the form of a money order or cashier’s check no later than April 1, 2020. Students with outstanding balances as of April 1, 2020, may not attend classes, and will not be allowed to take final exams, participate in school activities, sports or functions until this issue has been resolved.

Once you have signed up for your FACTS Management tuition payment agreement, the Office of Student Accounts will enter the tuition rate, the $195.00 non-refundable registration/processing fee, and, if applicable, the $3,500.00 non-refundable International Student Processing Fee and finalize your agreement. Once your agreement has been finalized by the Office of Student Accounts, you will receive a confirmation notice from FACTS Management (via email correspondence if you have elected that option with them) regarding your tuition balance, your tuition payment schedule, payment date, and payment amount according to the plan you have chosen. Please keep in mind that any applicable scholarships or financial aid credits will be applied after your FACTS Management tuition payment plan agreement has been finalized and will not be reflected in your confirmation letter. Should you receive scholarships or financial aid, your FACTS tuition payment agreement will be credited at a later date and your payments adjusted accordingly to the payment plan you have chosen.

Within ten (10) calendar days from the date of your confirmation letter, there will be a deduction of $195.00 for the non-refundable registration/processing fee and, if applicable, the $3,500.00 non-refundable International Student Processing Fee from the financial account you provided to FACTS Management. Neither of these non-refundable fees is included in the tuition amount that is set by the school. If the $195.00 non-refundable registration/processing fee or the $3,500.00 non-refundable International Student Processing Fee fails, your tuition payment plan agreement with FACTS Management will be automatically terminated, and the student will not be registered. If your tuition payment plan agreement is terminated, you will be notified by FACTS Management and the non-refundable registration/processing fee will now be $275.00 to complete and submit a new FACTS tuition payment plan agreement to register the student.

Please note: The above payment dates will automatically be adjusted if you register your child after May 1, 2019. All tuition payment plans will end March 20, 2020 as contracted with the final tuition payment withdrawal by FACTS Management on this date. Any student’s tuition account in arrears after the March 20, 2020 date will not be eligible to receive awards from any Diocesan financial aid or scholarship program as well as any in house scholarship programs through the school in the subsequent school year 2020-2021.

In no event will a student be allowed to attend classes until they are successfully registered, by completion and payment of the registration/processing fee, and have a tuition payment plan agreement with FACTS Management that has been set up, is active, and is current.

The Catholic Schools Office reserves the right to request payment by money order or certified check when payment is being made on a delinquent, unresolved or inactive tuition account.
**Payment Policies:**

- Payment must be made using one of the tuition payment options offered by FACTS Management.
- Any payments made to FACTS Management, via online or telephone or by check through the Office of Student Accounts, must be made at least five (5) business days prior to the FACTS Tuition Management payment date in order for correct processing to take place.
- FACTS Management, Central Catholic Schools, and/or The Office of Student Accounts are not obligated nor required to defer any FACTS tuition payments scheduled per your request. If you have chosen the option to receive email correspondence from FACTS for tuition payment reminders, this did not mean you chose this option to remind you to defer your scheduled tuition payments.
- Any request for changes to your FACTS tuition payment agreement once it has been finalized must be made through the Office of Student Accounts within a five (5) business day notice of the scheduled date of withdrawal. The Office of Student Accounts, FACTS Management, and/or Central Catholic Schools, reserves the right and is not required to honor any request made by you regarding payment deferments.
- After two (2) payment deferment requests have been made to your FACTS tuition payment plan agreement by either the Responsible or Authorized Party, there will be a $50.00 Deferment/Processing fee imposed. This fee will be added to your tuition balance and added on the specific scheduled payment and will be processed accordingly at that time. The Office of Student Accounts, FACTS Management, and/or Central Catholic Schools, reserves the right and is not required to honor any request made regarding payment deferment.
- The Catholic Schools Office reserves the right to request payment by money order or certified check when payment is being made on a delinquent, unresolved, or inactive tuition account.
- Failure to make payments when due may result in the denial of a student’s admittance to classes and exams and students will not be allowed to participate in school activities, sports or functions. Tuition accounts for all students must be current at the end of each academic quarter.
- A $50.00 charge will be imposed for any check that is not honored by the bank/credit union on which it is drawn. This is in addition to any charges that are imposed by your bank/credit union and a $30.00 missed payment fee by FACTS Management Company. For unresolved, inactive, or delinquent tuition balances, or after a personal check has not been honored by a bank/credit union, only a money order or a certified check will be accepted for payment. Returned checks are not re-deposited.
- Personal checks will not be accepted after April 1, 2020 as a form of payment for the 2019-2020 school year.
- Students who register after the beginning of the school year will be charged tuition according to the number of months attended. Any part of a month will be counted as a full month of attendance when determining the amount of tuition to be charged. The non-refundable registration/processing fee and the non-refundable International Student Processing fee are not pro-rated.

**Delinquent Tuition Policies:**

Tuition is the life blood of our Catholic schools, and nonpayment of tuition puts great stress on their ability to carry out their mission, and indeed their long-term viability and existence. Tuition accounts must be current and active at all times. Failure to make payments when due may result in the activities including school activities, sports or functions. The Catholic School Office reserves the right to request payment by money order or certified check when payment is being made on a delinquent,
unresolved, or inactive tuition account. Tuition accounts for all students must be current at the end of each academic quarter.

**Withdrawal/Transfer and Refund Policy:**

- Step 1 - Parent/Legal Guardian must notify their child’s school in writing. Step 2 – Parent/Legal Guardian must sign the Official Record Release form from their child’s school, Step 3 - your child’s school will notify The Office of Student Accounts in writing of the student’s withdrawal/transfer. This written notification from your child’s school, must be received at the Office of Student Accounts three (3) to five (5) business days prior to the scheduled date of your FACTS tuition payment plan agreement for withdrawal of funds from your account in order to stop payment.
- Refunds, if applicable, will be issued one (1) month after the date of withdrawal/transfer (as stated on the withdrawal/transfer notice from the school).
- The $195.00 registration/processing fee payments as well as the $3,500.00 Processing Fee for International students are non-refundable and non-transferable.
- Students who withdraw/transfer between May 25, 2019 and August 31, 2019 will be charged one (1) month of the total school year’s tuition (based on ten (10) months). For example: if the total tuition for the school year is $8,500.00; the charge will be $850.00.
- Students who withdraw/transfer between September 1, 2019 and October 31, 2019 will be charged one quarter of the total school year’s tuition (based on four (4) payment quarters). For example: if the total tuition for the school year is $8,500.00; the charge will be $2,125.00. Payment quarters (not academic) end on the last day of October 2019, January 2020, March 2020, and the last day of school, June 2020. Any part of a quarter that a student is in attendance will be counted as a full quarter of attendance when determining the amount of tuition to be charged.
