

Dear Assumption Families,

Our 33rd Annual Fun, Fitness & Fundraising Event!

JOGATHON

October 23, 2020

- A super fun day for all with a huge health and fitness goal as well as being an important fundraiser. At Assumption School, fundraising is vital for the day-to-day operations of the school, and for educational improvements that benefit all of our children.
- Our goal is to raise \$20,000 to help subsidize operational expenses for the school. As a private school, Assumption does not receive state or federal funding. Therefore, the school relies fully on fundraising to help meet the needs of educating each student. We can do this with your help.
- Everyone wins through our Business Sponsor Program! In addition to the goodwill shared by supporters in any nonprofit fundraiser, your organization will capitalize on marketing opportunities.
- Check out the website for more details
- We thank you in advance of your support and help!

Dear Friends,

For over 90 years, Assumption School has been providing students with a quality education grounded in Christian fundamentals while also providing their families and the surrounding community with a strong sense of faith and fellowship. The Assumption Parent Teacher Guild (PTG) seeks your help so the school can maintain the current curriculum while advancing the spirit of innovation. As a result of the generous support from our community over the years through fundraisers, the school has been provided with state of the art tools and resources that would otherwise not have been possible through tuition alone. This additional support has served to enhance our students' learning experience and assist with positioning them for future success.

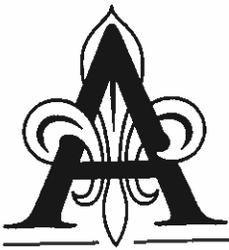

Assumption School would like to invite you to participate in our **Thirty-Third Annual Jogathon**. Our goal is to raise \$20,000 to help subsidize operational expenses for the school. As a private school, Assumption does not receive state or federal funding. Therefore, the school relies fully on fundraising to help meet the needs of educating each student. We can only do this with your help.

Everyone wins through our Business Sponsor Program! In addition to the goodwill shared by supporters in any nonprofit fundraiser, your organization will capitalize on several marketing opportunities. These incentives are designed to help you spread the name and nature of your business. Please review the next page for these exciting sponsorship opportunities.

We thank you in advance for your time and consideration. Your support and generosity are truly appreciated.

Sincerely,

2020 Assumption School PTG Jogathon Committee
