

# WEEKLY NEWS

**ASSUMPTION SCHOOL WEEKLY NEWS**  
**September 23, 2020**

Happy Fall!

It is hard to believe that summer is over, and fall is upon us. With that this is a great time of year to get outside and go hiking, apple picking, and pumpkin picking.

Our school days have been going smoothly and I again want to say thank you for keeping your child home when they are not feeling 100% and encouraging them to wear their masks.

As the weather turns chilly please be sure your child has the layers needed to be outside. When in the classroom the students need to wear an Assumption fleece or pullover.

Have a wonderful week!

Blessings-

Mrs. Olson=)

## **FLU Vaccine:**

Massachusetts students of all ages (6 months and up) will now be required to get a flu vaccine by December 31, 2020 in order to attend school unless medically exempt, the Department of Public Health announced August 19, 2020. The new vaccine requirement is a step to reduce flu-related illness and the overall impact of respiratory illness during the COVID-19 pandemic. It is more important now than ever to get a flu vaccine because flu symptoms are very similar to those of COVID-19 and preventing the flu will save lives and preserve healthcare resources.

Thank you for your cooperation.
