

# St. Mary School

Dear Prospective Parent,

I would like to thank you for the interest you have shown toward St. Mary School for your child. We treat every child as an individual with unique gifts, and we help them find the confidence to share those gifts. We teach them to welcome every challenge with strength, faith and self-assurance, and to make decisions of which they can be proud. As they learn, your child will come to believe in themselves and their capabilities. It is our commitment to provide an education that *shapes hearts and minds in the Service of Christ*.

We support the values and morals you teach at home. We help your child develop a positive self image and a firm understanding of the difference between what is right and what is not. We illustrate the rewards of responsible behavior, and help them form a strong sense of personal accountability.

We offer a curriculum that is diverse, fresh and ambitious. Your child will learn in a dynamic distraction-free atmosphere, supported by dedicated teachers who provide the encouragement and build the confidence to meet social and academic goals. Our school supports social and academic performance and helps build a solid foundation for success throughout life.

St. Mary School builds poise and self-assurance in ways that are unique and innovative. In our classrooms, in our church, and fields of play, we provide the challenges that help your child develop the independence and confidence to stand tall, and the ability to contribute equally well within the dynamics of a team. It's all part of providing an education for life, and faith for living.

For further information or to answer any questions please feel free to call us at 517-543-3460.

Yours in Christ,

Amanda Wildern, Principal  
St. Mary School
