

Due to COVID-19, additional details about St. Mary Summer Camp will be provided after the Michigan “Stay Home, Stay Safe” order is rescinded. Once St. Mary Child Care Services reopens, new processes will be implemented for symptoms monitoring protocol and more regular cleaning and disinfecting practices. Guidelines will be provided in accordance with the Michigan Department of Health and Human Services and Department of Licensing.

Our goal for the St. Mary Summer Camp is to provide a fun and safe place for children to attend during the summer months. We continue your children’s education with grade appropriate materials, while emphasizing group activities. Children learn about community service at St. Mary Church and presentations from community members. Once a week, we will make our own lunch and bake dessert, enjoy a movie and pizza day, sprinkler day, and field trips, including the Aquatic Center.
