Fall Can Drive

We will have our Fall Can Drive from November 6—12 from 7:30AM—8:30 AM. Although there are no national or state competitions, we still believe in the importance of recycling here at SHS. RECYCLE ALUMINUM (cans and scrap aluminum) during the can drive November 6—12 in the gym parking lot. When you drop off your recycled aluminum, give the name of an SHS student, because there is a hot chocolate & cookies competition between the classrooms. We are in need of volunteers to help with the Can Drive. If you can help any day please contact the school office at 853-4388.

Lawrence County Substance Abuse Prevention Coalition Project

If the police were called to your home as the result of a crime or for any reason and you had children in your home, those children might be afraid. Sacred Heart Church has been asked to partner with the other churches in our community to provide goodie bags for the police to give to children when this happens. We have been asked to fill 15 bags for junior high age girls (age 12-14). We have been provided with bags and a list of suggested items for the bag. The total to be spent should be around \$20 per bag. If you can, please take a bag and fill it from the list or put \$20 in the bag and we will fill it for you. These need to be returned to the church office no later than Sunday, November 22nd. Bags are located in the breezeway at Sacred Heart. Please sign your name if you take a bag.
