

Parents and Families:

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.
- Support our school's Book Fair. Allow your children to choose their own books to read.

The PTA Fall Scholastic Book Fair – **Book Fair Time Machine: Books Can Take You Anywhere!** – surrounds students with a great selection of fun, engaging, and affordable books for them to discover. And like most acquired skills, the more kids practice reading, the better they'll get. Reading is vital to every child's success and raising kids as readers means getting involved while they're young. Now is the time. Please make plans to visit our Online Book Fair and be involved in shaping your child's reading habits.
