

We will be having a special virtual observance for Veteran's Day on Wednesday, November 11th, at 8:15 AM along with our regular morning prayers. We will be honoring and mentioning by name all of those Saint Ann's family members who have served our country and we will also be praying for our troops, past and present.

We are looking for photos of family members both currently serving and veterans, to place on our special bulletin board on the first floor across from Kindergarten. This board will be staying up on display throughout the whole school year as we continue to pray for all military, and especially our loved ones, up on the Board. The photographs will be returned to you at the end of the year or can remain on the bulletin board for special prayers in the years to come. Please write your child's name and grade in the back of the photograph, and include the branch of the Military and rank if possible of the family member.

If there is someone you would like us to pray for during this service, please email RE: VETERANS DAY to alaccetti@st-ann-school.org by Friday, October 30th.

Should you need any information about this virtual service please contact Mrs. Laccetti at the school or at alaccetti@st-ann-school.org.

“We don't know them all, but we owe them all.”
