

Saint Ann School

Where Faith & Knowledge Meet

Dear Saint Ann School Families,

I have been receiving questions about Friday, originally a scheduled Professional Development Day for teachers with students off school.

On Friday there will be NO e-learning. Teachers will be taking the day to prepare and plan further distance learning lessons for the students. This is necessary for the following week but also in case this situation goes beyond the originally determined 2-week time period.

Thank you and God Bless,
Salvatore Chiaravalloti
Principal
