

St Ann School: Shop With Scrip Program: What is it?

Earn tuition and PTA financial commitment credits while you shop!

What is it?

A shopping fundraiser – you purchase physical gift cards or electronic gift cards and earn \$\$\$!

- Each purchase earns a rebate
 - The rebate is split 50/50 towards your PTA commitment and your child's tuition (proceeds applied 2x per year). During special promotion periods, rebate split changes to 60/40 tuition/PTA.
 - Example: Purchase \$100 Lands' End gift card, offering 15% rebate. You pay \$100, a \$15 rebate is generated and split: \$7.50 goes toward your PTA commitment, \$7.50 towards your tuition.
- Mobile App is easy to use: Out to dinner at Olive Garden or in line at Panera - use your mobile device to purchase an eGift card on the spot, display immediately to pay!
- Physical gift cards and eGift cards are available for many different area restaurants, grocers, retail stores and entertainment sites!
 - Check out the 750+ available retailers and rebates on www.shopwithscrip.com!
