

A.S.P. (After School Program)

The After School Program (ASP) will start on Tuesday, September 8. The safety of our Saint Ann School students is paramount to everything we do from the start of the day until the final student leaves the building. As such, we will be making changes for attendance at the After School Program.

In order to properly plan, students will not be able to attend unless registered in advance. Register your student by completing the [form linked here](#). If you do NOT plan to use ASP, you do not need to do anything further.

Children not picked up during dismissal by 2:45 PM are charged a daily rate of \$30 regardless of pick up time.

Another change is snack and drink. Due to various conditions, we will not be providing snacks and drinks during ASP. All students attending will need to bring their own food and beverage for consumption during ASP.

We understand for some this will cause an inconvenience however, it is the best solution so we can continue to provide the service while also maintaining our focus on student and staff health and safety.
