

Saint Ann School

Where Faith & Knowledge Meet

Good Morning Saint Ann School Families,

We have entered the last weeks of school. This week we are winding down our distance learning experience, next week we will be celebrating the year with virtual end of year class parties.

All student materials are organized and ready for pick-up.

We will be following the schedule below for pick-up or student items as well as return of materials to school. When arriving for pick-up you will return textbooks, library books, and devices (Chromebooks for grades 6-8) as well as any other school items.

The schedule for return of materials will be as follows:

Grade Levels	Time Frame for Drop-off/Pickup
K-1	8:30-10:30AM
2-3	10:30AM-12:30PM
4-5	12:30-2:30PM
6-7	2:30-4:30PM

Eighth grade students will return and receive materials on Friday during the receipt of diplomas.

Siblings will have items together. If you have a child in 1st and 4th grade you will only need to come during one of the times to get both students materials and return their materials as well.

Have a wonderful day.

God Bless,
Salvatore Chiaravalloti
Principal
