

Saint Ann School

Where Faith & Knowledge Meet

Good Evening 8th Grade Families –

We are finalizing the Virtual Graduation for our Class of 2020. While we are waiting for a couple of more pieces of information, I want to share with you what is in the process of being confirmed as well as what is being finalized.

We will be livestreaming the virtual graduation video on either Thursday June 4 or Friday June 5 at 6:00pm. Once the date is confirmed, (should be tomorrow) I will let you know. You will receive a link to the livestream.

On Friday, June 5, we will be giving out diplomas and end-of-year items to the graduates. We will be hosting this beginning at 10am. I will send all the details on how this will work tomorrow. It will consist of following social distancing guidelines.

I look forward to sharing all the finalized plans with you shortly but felt sharing this information was important for your planning purposes.

God Bless,

Salvatore Chiaravalloti
