Graduation Update - Livestream Link Included

Friday Events

Eighth Grade Families -

Hard to believe that our celebration of the Class of 2020 is here. The link for the Virtual Graduation Ceremony being held Friday, June 5th, at 6:00pm is:

Please note this is a livestream of the celebration and will not be live until the night of the event. We will make it available for download next week.

Morning diploma reception

The parking lot is going to have chalked parking numbers. The odd numbers will be on one side of the lot and the evens on the other side. Tomorrow, after the chalking is complete, I will send a map with the spots outlined. You will notice that there is a space between each vehicle; this is part of the social distancing efforts.

The numbering of the parking lot will be alphabetical based on last name. Attached here is the number/student association.

Cars will be called one at a time. The vehicle will enter the crescent and go to the end. The student, in cap and gown, will exit the car to receive their diploma. You will be able to exit the vehicle and take pictures with the graduate. After a few pictures are taken, the next vehicle will be called.

We ask that while in the parking lot you stay in the vehicle. This is important for being compliant with social distancing guidelines.

Book/Device Return and Student item Pickup

This is a reminder that student devices and books need to be returned. There is an option to return and retrieve items tomorrow from 10:00-2:00 or on Friday. Friday we will have the items available and ready prior to the diploma distribution.
