

# Saint Ann School

## Where Faith & Knowledge Meet

Good Afternoon Saint Ann School Families,

I understand many have not had the opportunity to read the reopening plan sent earlier today however, as part of the plan we need to collect data on how students will be attending school. As a reminder all K-8 student have three options:

5 day a week in person (traditional)

5 day a week virtual

Hybrid - 2 to 4 days in person and the rest of the days virtual

Please complete the survey by no later than this Friday (August 7) so we are able to finalize room set-up.

Thank you and God Bless,

Salvatore Chiaravalloti

Principal
