Where Faith & Knowledge Meet

Reminder: Book drop off/ Item Pick up

Saint Ann School Families,

This is a reminder that tomorrow we will be having a return of books (workbooks do not need to be returned) and devices as well as pick up of student items.

We will have cars drive to the crescent area used for morning drop-off where you will be met by a staff member. They will collect items for return to the school and then bring the student items to your vehicle Sibling items will be together.

Nobody should exit their car. Only school staff members are permitted in the building at this time.
